ASSOCIATION

Supported by:

WVA Global Conference on Quality Assurance in Veterinary Education

Date: August 30 (Wed), 09:00-18:00

Location: Premier Ballroom A

The objective of this conference is to convene a global working session for accreditors of veterinary programs, to learn from their experiences and to assess the current status of self-assessment and accreditation systems of Veterinary Education Establishments (VEEs) in the different regions of the world. This is a first step to deliver the WVA long-term vision for WVA recognition of VEE assessments for specific competencies in veterinary education.
